

PRODUCT SPECIFICATION SHEET

UFO Gaia Light Pendant

Rev. C2

A contemporary, energy efficient pendant fitting which can be suspended from a ceiling or other mounting surface.

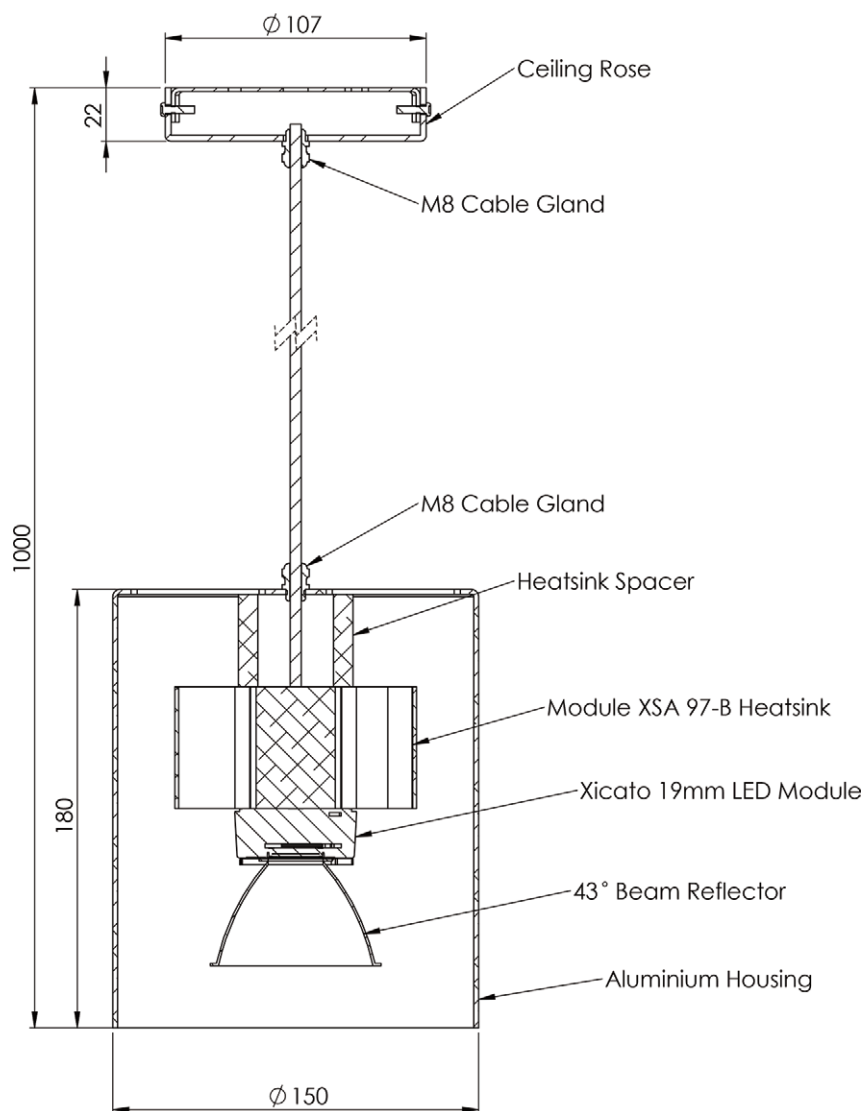

Featuring a sleek aluminium shade and powered by high quality and reliable Xicato LED arrays, the UFO Gaia Pendant will look perfect in any modern environment - be it residential or commercial.

A number of models are available offering a wide choice of light output levels, colour temperatures and control options.

Bluetooth control is available on selected models and this allows dimming either via a free iOS app or from a Windows PC or Apple Macintosh with the correct hardware specifications and software.
